

COUGAR TRACKS

As the student departs from Curlew High School he leaves behind a pattern of footprints representing his success, his disappointments, his pleasures, and his hardships. The pattern of each student is significant and remains forever a part of the school. Like footprints his experiences here leave upon his memory an indelible impression which he carries with him through life.

Senior Class Prophecy

May 21, 1969

Dear Mr. Chester,

On my return to the good old U. S. from Moscow where my husband has been stationed for the past 10 years as Ambassador, I was elected to write you a letter and let you know about our class reunion.

We were all very sorry to hear you were convalescing in a mental home for retired Superintendents in Nevada and were unable to attend our gathering.

We are all very proud of Vanette Van Woert as she won the title of "Home-Maker of the Year" and hopes to pass on the honors to all of her six lovely daughters.

Lorna Davison has a very exclusive restaurant in Russia and is an undercover agent for the U. S. Government.

Janet Helphrey has the second largest exporting company for Black Aberdeen Angus Cattle and spends her summers in Tibet.

Spike Howell has just bought the Globe Trotters Basketball Team and with the proceeds he is setting up an ice cream concession on Curlew Lake.

Wilton Massie has taken over his father's ranch and has purchased all of the land from Curlew to the 49th Parallel. This includes the city of Danville of which Wilton is now the mayor.

Maureen Bittner now owns and operates a chain of night clubs in Labrador and spends the winters in her villa at Malo so she can be close to her husband who is Commander of the 638th AC & W Squadron at Curlew.

Bill Cooper has attended college in Africa for the past ten years and will soon be qualified to take over your old job as superintendent of C. H. S.

I have really enjoyed writing to you and bringing back beautiful memories of years at Curlew High. This must be a great pleasure for you, to know all of your hours of teaching were not spent in vain.

I must hurry as I just received a telegram that my husband needs my advice on a matter of State and I just have an hour to catch my plane back to Moscow.

Sincerely yours,

Lynne Richmond

Senior Class History of "59"

We entered high school ten strong. We were duly initiated on October 15, 1955 and we were considered the newest members of the Cougar Pack.

Our Sophomore year we initiated 23 new freshmen. Our class had gained Ron Snyder and lost Oliver Monnin, Anne Morris, and Victor Howell.

We started off our Junior year with a very successful car wash. We lost Ron Snyder, Ilene Borders and Pat Woods but Victor Howell was back in the Pack. On March 23, 1958, we presented the smash hit play "Seventeen Is Awfully Young." Then on May 10, 1958, we decorated the gym in pink and blue to the theme of Around The World for our Junior Prom. Our rulers of this dance were Sheryl Massie, Queen and Stanly Crandall, King. The crowners were Victor Howell and Vanette Van Woert. The Crown Bearers were Steve Brown and Faye Lembcke. The music was by The Skylarks.

Our Senior year we traveled to Spokane to Christian Studios to have our Senior Pictures taken. Our Senior Ball was held on November 15, 1958. Our theme was Harbor Lights. The gym was decorated in shades of blue, black and white. The music makers were The Skylarks. We have three new members in our class this year. They are Lynne Richmond, Lorna Davison and Maureen Bittner. We lost Art Nylander. With the coming of new students and the leaving of old classmates we now number eight exalted rulers, five of the original ten that started.

1. Spike; 2. Janet; 3. Janet; 4. Vanette
5. Spike; 6. Lynne; 7. Spike; 8. Bill
9. Spike; 10. Janet; 11. Vanette & Wilton
12. Bill; 13. Wilton; 14. Wilton.
